This Preliminary Review Form is for use by New and Supplemental Applicants. New Applicants may apply for either Annual or Life Membership. Annual Members must be over eighteen years of age and pay dues each year. Life memberships are available to applicants who are age 18 and above. Junior memberships are available for descendants who are not 18 years of age. Junior memberships are subject to the same proof of lineage requirements that apply to other regular memberships. To prove a supplemental line through the DC Mayflower Society, you must already be a DC Society member in good standing. If you have more than one Pilgrim ancestor, you must submit a separate form for each Pilgrim. Please work on one line of descent at a time.
